Child Abuse Statement

Child abuse is as old as the history of mankind. It has many ugly forms and is a problem of severe magnitude and shocking implications. The spiritual atmosphere which Mt. Hope Bible Camp attempts to provide may be one of those deterrents possible. When, however, an instance of child abuse is suspected or reported, our leadership must do everything it can to help those in need as quickly as possible along the best spiritual and professional guidelines. A position paper concerning child abuse authorized by the Board of Managers is available from your MHBC representative. If there are any suspicions of child abuse in any form, it must be reported to a Mt. Hope Bible Camp representative and the position paper will furnish the guidelines as to the action that is to be taken. I acknowledge my responsibility to be careful and conscientious in reporting any suspicions to my MHBC representative.
